

Life Services Toolkit

Resources and tools to help you
and your beneficiary meet life's challenges

Group Life insurance through your employer gives you assurance that your family will receive some financial assistance in the event of a death. But coverage under a Group Life policy from The Standard[‡] does more than help protect your family from financial hardship after a loss. We have partnered with Bensinger, DuPont & Associates (BDA) to offer a lineup of additional services that can make a difference now and in the future.

Online tools and services can help you create a will, make advance funeral plans and put your finances in order. After a loss, beneficiaries can consult experts by phone or in person, and obtain other helpful information online.

The Life Services Toolkit is automatically available to those insured under a Group Life insurance policy from The Standard. Recipients of an Accelerated Benefit can access services for 12 months after the date of payment. Life insurance beneficiaries¹ can access services for 12 months after the date of death.
